Sir:

The Petition under 37 CFR §1.182 filed on November 1, 2010 was dismissed as an Application Data Sheet did not accompany the Petition. A completed Application Data Sheet accompanies this Petition.

Patentee again petitions to have the attached Certificate of Correction issued in order to correct the residence of one of the inventors, Mr. Takeshi Aimoto, from Tokyo (JP) to Santa Clara, CA. The declaration filed with Application Serial No. 09/585,389, inadvertently listed Mr. Aimoto's residence as "California, U.S.A.", instead of "Santa Clara, CA". In a filing receipt mailed August 2, 2000, Mr. Aimoto's residence was listed as "Tokyo, JAPAN". This
